Mansfield Tour (directors report)

Expenditure:

Jerseys – order up front (Alex/Janine)

Booked advertising w/ Cycling Tips and Australian Cycling

New banners for inflatable start bridge

Potential for helicopter drone footage to be used for marketing next year discussed (no action)

.

VDHS

Alex booked in an Ambulance. Still need to sort out St Johns for 15th/16th Jan. RM Board all good to go.

(Dave) Shane Curry approved weekend so advertising/marketing can go ahead. Brett (Blue Dirt) quoted \$45 practice/ \$35 race. Dave is going to propose that season pass holders do not have to pay for race day, but otherwise accept the quote.

(Alex) – cost expectations within margins outlined w/in the budget .

Expectation of a good turnout.

Team App

(Janine) Questions around “Club rides” and insurance. Auscycling/TAC similar coverage. TAC only works if incidents involve vehicles, versus Auscycling – if it’s a club event. If we declare club status on rides there is a potential for this to be a difficult sell to local riders. What can the club offer – Sunday special events? Exclusive to members ie. Buller event with BBQ. Gravel event with coffee afterwards. Every second Sunday?

Publicize gravel event 28th November Gravel loop with coffee at the Mansfield afterwards. December – Buller Rd ride (discuss S Brown)

Road race program update

First race tomorrow. All volunteers good to go. Regional Roads Vic permits are outstanding.

Proposed that if the permits come through by 4.00pm then race will go ahead. If not then there will be no race.

MTB Program update.

First event early in the week. 25 entrants. Plan to run a couple of events at Highline. Need to slash grass/work on some tracks. Shannon to contact Parks Vic..

Junior Membership

Not specifically discussed.
